Gen 7 + T24i-10

Ultra thin. Ultra light.
Ultra tough.

Pair with the perfect
Lenovo accessories

**\$100
REBATE**

Lenovo

Lenovo recommends Windows 10 Pro for business

Styled for premium performance

At 6 percent thinner than its predecessor, the lightweight package of the ThinkPad X1 Carbon Gen 7 reinvents portability and untethers you from the office. With a battery life of up to 18.3 hours and Rapid Charge when you do need more juice, you can go wherever the road—or the sky—takes you.

By Kathleen Walch | Forbes

You've heard of robots; what are cobots?

Companies looking to increasingly automate and enable greater portions of their business that require physical human effort currently need ways to increase the interaction of robots and people without endangering their welfare. Cobots can be that solution.
