The advertisement features a dark background with a grid pattern. On the left, the Windows 10 logo is displayed above the text 'ThinkCentre M720 Tiny + Tiny-in-One Monitor'. A small, black, cube-shaped PC is shown next to a large monitor displaying the Windows 10 desktop. A keyboard and mouse are also visible. The Lenovo logo is on the right. At the bottom left, a blue banner reads 'Pair with the perfect Lenovo accessories'. At the bottom right, it says 'Lenovo recommends Windows 10 Pro for business'.

The compact PC that makes a big impact

Despite being 96 percent smaller than a full-sized desktop, the ThinkCentre M720 Tiny is just as powerful and responsive. With up to six core Intel® processors, plus PCIe SSD storage and DDR4 memory, it takes everything in its stride, enabling you to get things done more quickly and efficiently.

Staying safe in the IT age of manufacturing

IT is dramatically changing the manufacturing industry. However, while there are undoubtedly risks associated, IT should be associated with greater output and profits, not costly shutdowns.

IT improves manufacturing

An advertisement for a Lenovo ThinkPad laptop. The background is dark with a subtle grid pattern. In the top left, the Windows 10 logo is displayed. The main text reads "ThinkPad E15 + P24q Monitor" in white and red. Below this, it says "Pair with the perfect Lenovo accessories". In the bottom right, it states "Lenovo recommends Windows 10 Pro for business". A vertical red bar with the word "Lenovo" in white is on the right side. The central image shows a black ThinkPad laptop open, with a large P24q monitor attached to its side. Both the laptop screen and the monitor display the Windows 10 desktop environment.

Incredible performance and practical portability

Mainstream computing gets a serious upgrade with the ThinkPad E15. Big performance, svelte looks, quick response times, and value for money make this laptop an excellent addition to your IT arsenal.
