Windows 10

ThinkCentre M720 Tiny

Reduce your desk clutter

Pair with the perfect
Lenovo accessories

Lenovo

Lenovo recommends Windows 10 Pro for business

The compact PC that makes a big impact

Despite being 96 percent smaller than a full-sized desktop, the ThinkCentre M720 Tiny is just as powerful and responsive. With up to six core Intel® processors, plus PCIe SSD storage and DDR4 memory, it takes everything in its stride, enabling you to get things done more quickly and efficiently.

Healthcare Technology: A comprehensive

approach to cleaning

Universal precautions dictate that medical computing devices must be cleaned between each patient encounter. Lenovo is simplifying this process with a comprehensive, multipronged approach that aligns with CDC standards for healthcare cleaning, disinfection, and sanitization.

HEALTHCARE

By Mark Sullivan | Fast Company

Telehealth's future is bright. Here's what it'll look like in 2025

While the last few months have forced many medical practices to go digital, remote care might just be the innovation that modern healthcare needs.

[Learn why](#)

An advertisement for a Lenovo ThinkPad laptop and monitor. On the left, a red background contains the Windows 10 logo and the text "ThinkPad E15 Laptop + S24e-10 Monitor". Below this is a blue callout box with a dashed border that says "Pair with the perfect Lenovo accessories". On the right, a blue background shows a black ThinkPad laptop and a matching monitor displaying the Windows 10 desktop. The Lenovo logo is in the top right corner, and the text "Lenovo recommends Windows 10 Pro for business" is at the bottom.

Incredible performance and practical portability

Mainstream computing gets a serious upgrade with the ThinkPad E15. Big performance, svelte looks, quick response times, and value for money make this laptop an excellent addition to your IT arsenal.
