

January Tech Update

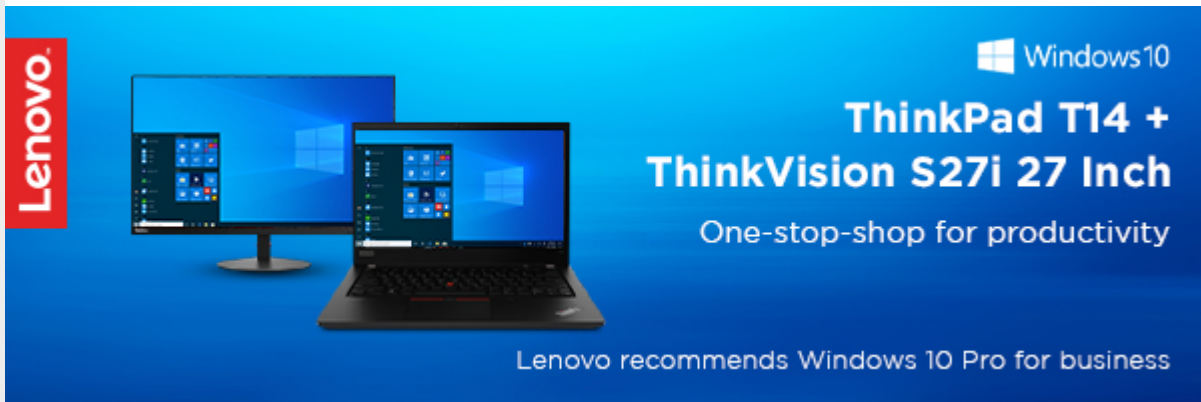

Meet the machines that paved the way for a 100-year technical revolution.

A 100 year tech revolution in review – plus what’s ahead

From the humble home radio to pocket-sized artificial intelligence, the last 100 years have been a technological whirlwind. Now as mind and machine prepare to merge, we look back nostalgically.

Security flaw could allow hackers to trick lab scientists into making viruses

Cybersecurity researchers discovered a computer attack that could allow hackers to remotely trick laboratory scientists into creating toxins and viruses. So what does this mean for the future – and safety – of healthcare?

ThinkPad L13 Yoga + ThinkVision T23d-10

Easily handles tough projects, webinars or sketching

Lenovo recommends Windows 10 Pro for business

Built for life's extremes

The redesigned look and feel of the ThinkPad L13—the bezel has been greatly reduced to yield a much cleaner, smarter display. A choice between Silver and Black provides style, and with a starting weight of just 1.38kg / 3.06lbs, you'll want to take it everywhere.

Building resilient supply chains

Turbulent times can expose weaknesses in distribution chains, putting stress on chokepoints and reducing access to critical components, suppliers and capital. So how can your business weather the storm?

An advertisement for the Lenovo ThinkCentre M75s. On the left is a vertical red bar with the white 'Lenovo' logo. In the center is a black, compact desktop computer tower. On the right, the text reads 'Windows 10' with the Windows logo, followed by 'ThinkCentre M75s' in a large, bold font, and 'Never compromises on performance' below it. At the bottom right, it says 'Lenovo recommends Windows 10 Pro for business'. The background is a solid blue color.

Small footprint, big performance

The ThinkCentre M75s is equipped with up to AMD Ryzen™ 7 PRO processing, plus seamless AMD Radeon™ Vega graphics and lightning-fast DDR4 memory. That means it can breeze through any task—quickly, smoothly, and efficiently.

Raising the bar

About Us

OnPar Technologies' focus is earning our reputation as our clients' trusted technology partner. We apply our expertise to help our clients unleash opportunities and address issues using tailored, relevant, innovative technologies. As a Microsoft Certified Gold Partner, we have the knowledge of and access to business solutions that ensure your business operates securely, reliably and proactively.
